March 27, 2020

Cook County Board President Toni Preckwinkle has announced a Taxes, Fines and Fees Relief Package. Among other things, the County will defer the filing date for February and March home rule tax periods on alcoholic beverages to May 1, 2020 and no penalties or interest will be applied during this extension period.

Additionally, unincorporated Cook County liquor licenses expiring April 30 will be extended until July 31, with no late fees assessed if the license is renewed before July 31. A link to the County's press release and pamphlet on the Relief Package is [HERE](#).
