Dear Mr. Reyes:

Metra has reviewed the Personal Narrative(s) and Personal Net Worth Statement(s) submitted for your firm for reevaluation under the October 3, 2025, United State Department of Transportation (USDOT) Interim Final Rule (IFR). We are pleased to inform you that your firm has met the eligibility standards set forth in 49 CFR Part 26 for social and economic disadvantage and your firm will be recertified as a Disadvantaged Business Enterprise (DBE).

This recertification will allow your firm to continue to participate as a Disadvantaged Business Enterprise (DBE) in the Illinois Unified Certification Program (IL UCP). The participating agencies include the City of Chicago, Chicago Transit Authority, Illinois Department of Transportation, Metra, and Pace.

When the Illinois Unified Certification Program (IL UCP) completes its reevaluation process, your firm will be listed in the IL UCP directory and your participation on USDOT assisted contracts will count toward DBE contract goals. Please note that no goals will be included on new contracts until the IL UCP completes reevaluation of all DBE firms. The IL UCP will provide notification once the reevaluation process is finalized.

If you have any questions or concerns, please contact our office via email at metradbe@metrarr.com or call (312) 322-6323.

Sincerely,

Michele Sutton
